2. Breeder agrees to provide suitable facilities for the care and feeding of mare and/or foal while in his custody. Mare Owner agrees to pay for care and feeding penned mares at \$7.00 per day dry; \$8.50 per day wet.
3. A photocopy of registration papers (front and back), a veterinarian's health certificate, worming and immunizations records and current Coggins test (within 12 months) shall accompany mare. If these are not presented upon mare's arrivals, the Breeder shall have the attending veterinarian make proper tests and evaluations at the Mare Owner's expense.
4. Breeder will exercise judgment consistent with recognized standards in care and supervision of mare and/or foal. Breeders Veterinarian will examine for normal breeding conditions and administer medical care as deemed necessary for the health and safety of the mare and/or foal.
5. Mare Owner will pay all veterinary and expenses. All reasonable efforts will be made to notify the Mare Owner in the event of a medical emergency. The Mare Owner agrees to accept the medical judgment of the Breeders Veterinarian and the medical treatment by the Breeder in regards to performing mare emergency medical treatment, should in the Breeder's opinion, such treatment be deemed necessary.
6. The Mare Owner agrees that each breeding shall be in sound breeding conditions and free from infection or disease. Any mare certified by the attending veterinarian not in sounding breeding condition, in his/her opinion, shall not be bred. Mare Owner may substitute another mare within the same breeding season.
7. A mare that is not halter broke will not be accepted. Mare Owner will remove shoes from mare. A mare with shoes will have shoes pulled by a at Mare Owner's expense.
8. The Breeder agrees to diligently try and settle the above named mare and shall have sole discretion of determining the best method of breeding such mare. If, however, the mare does not settle, the Breeder shall be held harmless.
9. **Live Foal Guarantee.** Live Foal means that foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal, or if the foal is stillborn, a return season will be guaranteed the following year only, if proper notification is provided. Proper notification shall be defined as written certification by a licensed veterinarian with seven (7) days that the mare slipped or produced a non-viable foal. Mare Owner certifies that such abortion or death did not result from any act or omission of the Mare Owner subsequent to the mare's departure from the farm. Booster rhinopneumonitis vaccinations must be administered as indicated by the individual drug manufacturer as the mare progresses through her pregnancy. Failure to do this will void the Live Foal Guarantee. If mare is run on fescue pasture or fescue hay it will also void the Live Foal Guarantee.
